2022 Fundraising Consultant

Organization

Enlightened Solutions is a 501(c)3 nonprofit research, individual advocacy, and organizational change think tank, based in Cleveland, Ohio.

Need

We are seeking a multi-faceted **Fundraising Consultant** to spearhead strategic fundraising initiatives. We are looking for strategic, step-by-step plans to leverage our position into reliable dollars that can be reinvested in the community.

General Responsibilities

- Coordination: Support the Enlightened Solutions' Board Fundraising Committee by providing logistical support and leadership during meetings and presenting findings to Co-Founders.
- Individual Giving Strategy: Assess current fundraising position and provide an individual giving strategy with detailed advice on how to execute plans.
- Annual Giving Strategy: Assess current annual giving strategy and project relevant fundraising strategies and design. Provide context and feedback to Co-Founders.
- Grants: Grant-writing, strategic visioning, grantmaker research and identification, and report writing, as needed.
- Corporate: Support Enlightened Solutions with identifying and engaging corporate donors.
- Individual: Identify, foster, provide strategic support with identifying giving contacts.
- Government: Cultivate government opportunities through RFPs, grants, and other partnerships.

Compensation

We have a \$15,000 allocation for this initiative. There is potential for ongoing engagement after the allocation has been expended.
